Dear Colleagues:

Fellow State Director Mendy Marshall in West Virginia is interested in hearing from states that use the LACES data system.

What states are using LACES (Literacy Pro System) as their data information system? What are the pros/cons? How do you track professional development for your instructors?

Send responses to: Mendy Marshall, Director, WV Department of Education, 304.558.0280 or mamarsha@k12.wv.us and ptyler@naepdc.org
