- * Civics Flash Cards, and much more

Eligible immigrant-serving organizations (including schools and adult education programs) can request one free copy at www.citizenshiptoolkit.gov .

From their web page:

U.S. Citizenship and Immigration Services (USCIS) proudly presents the Civics and Citizenship Toolkit!
*Premier collection of citizenship preparation materials
*Updated with new resources and information
*Free to all immigrant-serving organizations

USCIS is launching a revised edition of the Civics and Citizenship Toolkit with its latest citizenship education resources.

The Civics and Citizenship Toolkit is a collection of civics and citizenship resources for immigrants and the organizations that serve them. USCIS has distributed thousands of Toolkits to community and faith-based organizations, libraries, schools, civic and service clubs, government agencies, and other groups.

One free Toolkit is available to all immigrant-serving organizations. A list of eligible organizations is available on the registration page. Organizations must register to receive the revised Toolkit. Restrictions apply.

The Toolkit is a great resource for new and experienced organizations. The Toolkit may be used to:

- *Provide basic information to the immigrant community
- *Develop content for classes
- *Train staff and volunteers

To learn more, explore (<http://www.citizenshiptoolkit.gov/Explore/>) the contents of the Toolkit . For additional free citizenship information and resources, please visit www.uscis.gov/citizenship .
