CoABE PreConference for State Staff

How will you elevate the expertise of your instructors and tutors to meet the higher standards required by the Common Core, college and career readiness, and the new GED ®? It is not too early to begin preparations.

This year's CoABE PreConference for State Staff members will explore resources and state models for ramping up your instructional capacity throughout the state. We will also work together to design policy and implementation strategies to put in place the resources your state needs.

The session is on Tuesday, April 10 from 8:30 to 4:00pm with a leisurely hour and a half break for lunch. The registration fee is \$150 which is split between CoABE, lunch, and NAEPDC (to cover the cost of materials).

The session is sponsored and designed by the NAEPDC State Staff Workgroup, Jay Brooks (IL), Chair.

The session will be facilitated by Dr. Lennox McLendon, NAEPDC Executive Director and Dr. Bonnie Moore, NAEPDC Assistant Executive Director.
