WIOA Career Pathway Resources

As you know, WIOA emphasizes integrating career pathways throughout state and local programs.

Each of you has developed pathway resources and we hope you will share them with your colleagues. “We get by with a little help from our friends.”

To that end, NAEPDC is collecting pathway resources that we will share at the NTI in November and post on the website (www.naepdc.org) for you to use in developing your state plans.

REQUEST #1: Please ask your lead **Professional Development** person to go to this URL (<http://pathwaypd.questionpro.com>) and identify your career pathway **professional development** resources you can share with your colleagues. (NOTE: the following states have already submitted responses: TX, IA, VT, PA and MT).

REQUEST #2: Please ask your lead career pathway **Policy** person to this URL (<http://careerpathwaypolicy.questionpro.com>) and identify your career pathway **policy**, guidance and/or expectations.

We will notify you when we post these resources on www.naepdc.org

Thank you.
