State Staff Workgroup Leadership Change

Our sincere thanks to **Jay Brooks (IL)** and **David Walters** (formerly of KY and now state director in Alabama) for their leadership as Co-Chairs of the NAEPDC State Staff Workgroup over the past three years.

Jay and David are handing over the reins to our new Co-Chairs -- **Jackie Hawthorn (CO)** and **Chelsea Stewart (CO)**. We look forward to their leadership of a very active workgroup.

State staff members play critical roles in providing technical assistance to local programs, leading state-wide initiatives and implementing policies and procedures that improve adult services.

The NAEPDC State Staff Workgroup's mission is to build resources for those state staff members including designing the CoABE preconference for state staff, updating the NAEPDC Resource Library with current resources, and this coming year designing and piloting a Leadership Excellence Academy for state staff members.

If you want to participate in the Workgroup or if you have suggestions for resources that would make state staff work more effective, please feel free to

contact Jessie or Chelsea:

Jessie Hawthorn (Hawthorn_J@cde.state.co.us)

Chelsea Stewart (chelsea.stewart@colostate.edu)
