The Morning News at NTI -- Your five minutes of fame

WABE

Morning News

Most of us watch or listen to the morning news during breakfast.

Well, NTI is no exception.

Each morning during breakfast we have our own Katie Couric (**Randy Whitfield**) and her Matt Lauer (TBA) that host the WABE Morning News.

You can be a reporter for the Morning News: it is your chance to brag (for five to seven minutes) about something you are doing in the state.

How to appear on the WABE Morning News:

1. Prepare a short powerpoint of your segment you want to brag about—yes you can submit more than one.
2. If you like, prepare a one pager that we will put into a newspaper format.
3. Send it to Lennox (lmclendon@naepdc.org) with the subject line “Morning News – (state name)”
4. Enjoy your five minutes of fame.

Let your colleagues know about the good things you are doing.

See you in San Francisco.
