Opportunity to Shape Career Pathway Policy & Support

If you have not prepared a response to the Request for Information on the Adoption of Career Pathways Approaches, please do so by June 9.

The Departments Education, Labor and Health and Human Services want information for preparing policies, guidance and support for pathway systems.

Attached is the RFI. Beginning on page 22665 are the questions.

I know you are busy but do not miss this opportunity to inform Federal policy.

They will make decisions based on the information they receive. Your responses will inform those decisions and impact your work for years to come.
