Critical Digital Tools for State Staff—Webinar Section 2

The January section filled up in one day so we have scheduled a repeat second section for February 19, 2015. Below is the information and registration instructions.

The NAEPDC State Staff Workgroup (SSWG) is presenting its first 2015 webinar for state staff.

Topic: Critical Tools used by State Staff--This one hour online session will highlight tools used by state staff in Illinois and Georgia to help manage and oversee adult education programs. The session will highlight a tool used in Illinois to analyze NRS outcomes and in Georgia to monitor post-testing efforts for each local provider. The session will highlight how the tool was developed, its purpose and function and how it helps state level staff gain insights.

Participation: In order to enable discussion, participation is limited to 20 state staff members. Based on demand, repeat sessions may be scheduled.

Registration: There is no charge for participation. If you are interested, please register at <https://www.regonline.com/criticaldigitaltoolsforstatestaff2>

PS. If you interested in participating on the NAEPDC State Staff Workgroup, feel free to email the Chair, Chelsea Stewart (CO) at chelsea.stewart@colostate.edu This year they are a) conducting a series of webinars for state staff, b) conducting the CoABE PreConference for State Staff, c) developing a Leadership Excellence Academy for State Staff, and d) other projects to support state staff.

PS. If you are interested in other digital tools state staff use in their work, register for the day-long CoABE PreConference for state staff on Critical Digital Tools at <http://www.coabe.org/conference2015register.html>

PS. If you use digital tools you would like to share with colleagues across the country, email Chelsea (chelsea.stewart@colostate.edu) and we can include you in the CoABE PreConference or in subsequent SSWG webinars.
