### Adult Education and Developmental Education Relationships

In order to help you and your colleagues resolve issues related to relationships with Developmental Education, the Executive Committee would like your responses to two questions:

1. What issues are you having or have you had with Dev. Ed. in your state? (e.g., clarity of roles and relationships, overlapping services, varying definitions locally).
  
2. If you have resolved relationship issues, what were those resolutions?

Please send your responses to Lennox ([lmclendon@naepdc.org](mailto:lmclendon@naepdc.org)) and we will compile a white paper on the issues facing states and strategies states have used to resolve their issues.

Keep up the good work. Let me know when we can help.

Even if you're on the right track, you'll get run over if you just sit there.
