Colorado WIOA Local Planning Tools

Thanks to Margaret Kirkpatrick (CO) for shares the following:

Attached are two documents focused to help local programs develop their transition plans for WIOA. The first is a self-planning document, with the elements taken from the act. The second document is a side by side comparison between the elements and the law itself. Both documents are in Word, so they can be adjusted for local needs.

Hope this can be helpful for other states or local programs to use.
