IET Draft Resources from Amelia

Our colleague Amelia Valasek (ID) has put together her first draft of everything related to Integrated Education and Training. See her note below and the attached compilation.

Thanks Amelia for sharing your good work. “We get by with a little help from our friends.”

She would appreciate any comments or reactions: Amelia.Valasek@pte.idaho.gov

From Amelia:

Happy Friday to my fellow state ABE directors!

I hope you are all having as much fun as I am parsing the new proposed regulations.

I found myself wishing I had all the relevant information regarding IET in one place for a more comprehensive understanding of how it all fit together. I don't know if anyone else has done this yet, so I figured I would take a stab at it.

In the attached document I have done my best to compile all the relevant definitions, activities, and citations relating to IET in one place. I hope that this might be helpful to you (if not, feel free to disregard). Also, don't hesitate to let me know if I've missed anything pertinent. You may want to vet this before passing it along. Currently it is just an informal draft meant for information purposes only. Definitely not an official document by any means. 😊

Have a great weekend,

Amelia Valasek
