Colleague Questions—Affordable Care Act

Our colleagues in Georgia (Beverly Smith and Serena Walker) are interested in obtaining information regarding how other states have managed part-time employees since the implementation of the Affordable Care Act.

The questions are as follows:

1. How have you implemented the new Affordable Care Act requirement to pay benefits to part-time employees?
2. Have you limited the number of hours part-time employees work and, if so:
 - a) What is the pay cycle that you used to set your guidelines for part-time (weekly, monthly or an annual number of hours?)
 - b) Has there been a negative impact on your programs? If so, what has the impact been?

Please email your response directly to Serena at swalker@tcsge.edu . She will compile and share her findings with us.
