I know you all spent your Independence Day holiday memorizing the newly released WIOA final regulations.

In case you want another view, our colleagues at the National Skills Coalition are hosting a webinar next week July 12 at 2:00 pm (EASTERN) to share their analysis.

To register go to:

Panelists from their staff:

- Kermit Kaleba, Federal Policy Director
- Bryan Wilson, State Policy Director
- Rachel Zinn, Director, Workforce Data Quality Campaign
- Amanda Bergson-Shilcock, Senior Policy Analyst

Amanda will be reporting on Title II.

They do really good work there and have collaborated with us on any number of projects.
