Kudos to our **Virginia** colleagues for developing and making available an excellent IELCE resource entitled *Civics It Up!*

<https://www.civicsitup.org/>

Welcome to Civics It Up!

An instructional tool for teachers of Integrated English Literacy and Civics Education (IELCE). The purpose of the site is to help teachers plan and implement instructional units and lessons that integrate language learning with rights and responsibilities of citizenship, civic participation, and workforce training.

The web page includes **two YouTube videos** that explain the resource organization format and the instructional planner.

The lessons are **aligned with the NRS levels and the College and Career Readiness Standards**.

*Civics It Up!* was made possible by the generous support of the Office of Adult Education and Literacy of the Virginia Department of Education, the U.S. Department of Education, and the English Literacy/Civics Education Program. The opinions expressed herein, however, do not necessarily represent the position or policy of the U. S. Department of Education, and no official endorsement by the U. S. Keep up the good work. Let us know when we can help.
