**Registration is Now Open!** To register, visit <http://conference.novaresearch.com/NTI2016>

The cut off for registering for a hotel room is **October 25, 2016**. Don't delay!

The registration website for the *2016 National Training Institute for Adult Education State Directors and Their Staff Members* is now available. The meeting is being held Tuesday, November 15, through Friday, November

18, in Chicago, IL. Participants will have an opportunity to interact with senior administration leaders, other state staff colleagues, and other stakeholders on options and strategies for implementing the newly published regulations related to adult education programs and implementation of the Workforce Innovation and Opportunity Act (WIOA). The meeting will include several hands-on, small group working seminars during which state staff can work through implementation challenges and plan implementation strategies that fit their states.

The registration fee of \$350 includes breakfast, breaks and lunches each day as well as resource materials. Participants are responsible for dinner each evening and for travel and lodging expenses.

This NTI is a follow up to the August Adult Education State Directors Meeting in Alexandria. That August meeting focused on clarifying WHAT the new regulations say. The NTI focused on options and strategies related to HOW to operationalize those regulations. This information is critical to states effectively implement WIOA.
