Colleague Question – Ability to Benefit

Our colleague **Jon Kerr (WA)** says:

Happy New year all! We in Washington State are looking for examples of states and/or programs that have been successful in expanding their use of the Ability to Benefit option for federal financial aid. We would also be interested in any solutions states/programs have implemented to cover tuition for the first six credits needed to move students on to Ability to Benefit. Thanks in advance. Cheers--Jon

Please reply directly to Jon at jkerr@sbctc.edu
