IET Policy Discussion Today

Please join a discussion on adult education IET practice and policy today, January 4, 2017 at 4 pm ET. (<https://www.gotomeeting.com/join/288734317> online or on the phone (see below).

Integrated Education and Training (IET) is an important instructional strategy supported by WIOA. The Center for Law and Social Policy ([CLASP](#)) has been fielding a national survey to learn how adult educators are currently using IET. These survey results are intended to support IET professional learning, implementation, and the development of policy & guidance on IET.

During this call, we will briefly review the current results of the IET survey, hear from [World Education](#) and the [Institute for the Study of Adult Literacy](#) on their IET work, discuss the latest OCTAE guidance on IET, and brainstorm policy strategies for scaling IET to serve a wide spectrum of adult learners.

ONLINE: Please join the online meeting from your computer, tablet or smartphone.
