### **Colleague Question – HSE subtests**

#### **Our colleague Bob Purga (NY) would like to know:**

New York State continues to discuss the possibility of combining our state high school exit exams subtests with High School Equivalency (HSE exam subtests) to earn an HSE diploma.

Can you please ask the other State Directors if they do allow this in their state? If so, to share information?

I'd like to look at other state policies and practices.

If you have such, ***please respond directly to Bob*** at [Robert.Purga@nysed.gov](mailto:Robert.Purga@nysed.gov)

Keep up the good work. Let me know when we can help.
