Dear Colleagues,

Registration for this year's National Training Institute (NTI) is now open. The NTI is scheduled for November 14-17, in Charleston, South Carolina.

In June 2017, OCTAE held the *2017 National Meeting for Adult Education State Directors* and provided an opportunity for states to come together and learn about policies pertaining to WIOA implementation.

The NTI is provided by the National Adult Education Professional Development Consortium (NAEPDC). Portions of the agenda were developed in consultation with OCTAE in order to reinforce and build upon the content of the June meeting.

The NTI will be a deeper dive to address WIOA implementation in the following areas:

- Roles and Responsibilities of Adult Education as a Required One-Stop Partner
- Workforce Preparation as an Allowable Activity
- Integrated Education & Training (IET) Integrated English Literacy and Civics Education (IELCE)
- Entrepreneurship Development and Implementation Models

**Please share this information with State Staff who plan to attend. The following link is open for registration for NTI and reservations for hotel accommodations:**
