Greetings, Colleagues,

Jacqueline Korengel, from Kentucky, would like some feedback from States that are using Burlington English:

We were curious who currently uses Burlington English?

Strengths of the product:

Shortcomings of the product:

Would you recommend it?

Do you think it will be useful in Integrated English Civics and Literacy Education programs? If so, why? E.g., career components?

How are they using it? Blended, facilitated labs, etc.

Was the product purchased for a certain amount of licenses? Or unlimited licenses?

Was it a statewide by for all programs' use or state subsidy of price to programs?

Any additional information you're willing to share?

Please reply to this message. Responses will go to: ptyler@naepdc.org and Jacqueline.korengel@ky.gov Thanks for sharing!
