Dear Colleagues:

A request from Stephanie N. Patton (Student Advocacy Services: Adult and Corrections Education Specialist, GED State Administrator) in Utah:

The Utah Adult Education program is revisiting the topic of our current funding formula for Adult Education providers. Currently, one hundred percent of our funding is determined by performance based measures. This has created a lot of instability for our programs – sometimes due to factors somewhat outside of their control. If you have a minute, will you share how your state is allocating Adult Education funds?

To share, please reply to this email and copy Stephanie.Patton@schools.utah.gov
