Dear State Director of Adult Education:

Today's Shop Talk included a reminder that comments on the Information Collection Request (ICR) regarding WIOA Common Performance Reporting are due on February 8.

NAEPDC/NASDAE's Policy and Strategic Partnerships Committee (chaired by Alex Harris, Iowa) will be submitting comments and invites you to share any comments you will be submitting, so that they may also be included in those that the Committee submits. Please send comments to me by return email. Below is information on the ICR:

- The Department of Labor on behalf of itself and the Department of Education issued revisions related to the WIOA Common Performance Reporting (released in the January 9, 2018 Federal Register, at: <https://www.gpo.gov/fdsys/pkg/FR-2018-01-09/pdf/2018-00174.pdf>).
- This 30-day ICR revises and updates certain aspects of the existing ICR, including:
  - Makes changes to WIOA Eligible Training Provider Performance Report
  - Adds a new Annual Statewide Performance Report Narrative
  - Makes additional non-substantive adjustments to the specifications and data elements to align with published guidance and policy.
- ICR and applicable supporting documentation available at: [http://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=201709-1205-001](http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201709-1205-001).

**Comments are due by February 8, 2018.**

Thank you,  
Pat
